Beer:30 Recap

The 4th annual Beer:30 was a grand success. Thank you to the Pachyderm Pedalers, Greg Collins and a team of volunteers. On Saturday it was a great ride where we started at Watermark Brewing Company and made the first tasting stop at Round Barn Brewery & Public House before heading to Transient Artisan Ales. The third stop was at SideYard before pedaling to Haymarket Brewery & Taproom. The last stop was at Peat's Cider Social before finishing back at Watermark Brewing Company.

Red Coach Donuts and Infusco Coffee Roasters served at check-in while Witz DJ Service amped up the energy. Hoopla Frozen Yogurt waited at the finish with tasty frozen treats, and mouth-watering BBQ was available for purchase from Wood Stock and Grill. The Edgar Willbury Experience provided the post-ride entertainment.

Thank you to all who purchased a raffle ticket with great prizes available including a local brew tour from SWMI Brew Tours and a harbor cruise from Southwest Michigan Cycleboat. Thank you to the breweries for donating prizes to be raffled off.

This amazing fundraiser allowed all of the proceeds to go to Cycle-Re-Cycle to enable the accomplishment of the mission: "Improve lives through bikes, community and cycling."
